Opportunities

- **Grant Opportunities:** Current non-dilutive funding opportunities.
- **Innovation Fund Northeast Ohio:** Pre-seed funding for technology startups.
- **FDA Pre-Certification Program for Digital Health:** The FDA looks to work with nine companies to develop criteria for precertification and devise the best way of regulating software as a medical device. Proof of concept program set to kick off September 1.
- **Medical Technology Ireland Expo & Conference 2017:** Exploration of potential clients in Ireland. Participants are eligible for the Ohio International Market Grant for Exporters.

HIT in the CLE combines local educators with health IT industry professionals to close the talent gap in Northeast Ohio. Watch the full interview at WKYC.com.
